

**RESOLUTION: AMENDMENT TO THE FACE MASK POLICY AS A RESULT OF THE
COVID-19 PANDEMIC**

Adopted at the 3/23/22 board meeting

Effective immediately, the East Williston Public Library (the "Library") repeals its Face Mask policy, agreed upon May 20, 2021 and ratified at its June 30, 2021 Board meeting, and instead resolves as follows:

The Library will adopt the latest mask and social distancing guidance by the New York State and the CDC. As such, patrons or staff will no longer be required to wear masks within the Library or at its outdoor programs. Any person who wishes to continue to wear a face mask is welcome to do so.

This resolution will remain in effect until such time as the Board shall deem it appropriate to amend it. The Board will be guided by any further changes in the Governor's directives related to the wearing of face masks or face coverings.
